

spares + accessories

F¹

for F¹ filters

Use these spares and accessories to improve visibility and alarm indication for premature element blockage, improve condensate removal for high liquid load applications, save valuable purge air and simplify installation of your F¹ filters and separators.

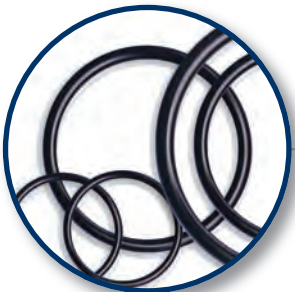

differential pressure indicators + gauges

description	fits	part number
pop up differential pressure indicator	NF 0025 to 0050	NDP 0050
differential pressure gauge	NF 0070 to 1500	NDP 1500
3.5 psig differential volt free contact ⁽¹⁾	NF 0070 to 1500	NDPE 0250
10 psig differential volt free contact ⁽¹⁾	NF 0070 to 1500	NDPE 0700
15 psig differential volt free contact ⁽¹⁾	NF 0070 to 1500	NDPE 1000

vacuum indicators + gauges

description	fits	part number
pop up vacuum indicator	NMV 0025 to 0050 NPP 0025 to 0050	NDV 50
millibar vacuum gauge	NMV 0070 to 1500 NPP 0070 to 1500	NDV 1500

o-ring seal kits

description	fits	part number
NF housing o-ring seal kit	NF 0008 to 0015	NSK 0015
	NF 0025 to 0050	NSK 0050
	NF 0070 to 0175	NSK 0175
	NF 0200 to 0325	NSK 0325
	NF 0400 to 0700	NSK 0700
	NF 0850 to 1500	NSK 1500
NFD housing o-ring seal kit	NFD 25 to 50	NDSK 0050
	NFD 70 to 175	NDSK 0175

connecting kits

description	fits	part number
NF connecting kit	NF 0008 to 0015	NCK 0015
	NF 0025 to 0050	NCK 0050
	NF 0070 to 0175	NCK 0175
	NF 0200 to 0325	NCK 0325
	NF 0400 to 0700	NCK 0700
	NF 0850 to 1500	NCK 1500
NFD connecting kit	NFD 25 to 50	NDCK 0050
	NFD 70 to 175	NDCK 0175

⁽¹⁾ does not include gauge

wall mounting kits

description	fits	part number
NF wall mounting kit	NF 0008 to 0015	NMK 0015
	NF 0025 to 0050	NMK 0050
	NF 0070 to 0175	NMK 0175
	NF 0200 to 0325	NMK 0325
	NF 0400 to 0700	NMK 0700
	NF 0850 to 1500	NMK 1500
NFD wall mounting kit	NFD 25 to 50	NDMK 0050
	NFD 70 to 175	NDMK 0175

internal condensate drains + adapters

description	fits	part number
automatic float drain with manual override	NF 0008 to 0050	NDK 0050
	NF 0070 to 1500	NDK 1500
1/4" NPT drain adapter (plastic)	NF 0070 to 1500	NAK 1P
1/4" NPT drain adapter (brass)	NF 0070 to 1500	NAK 1

sterilizable glass drain flasks

description	fits	part number
100 mL flask	NMV 0025 to 0085	MLF 100
250 mL flask	NMV 0125 to 1500	MLF 250
100 mL flask with polymer coating	NMV 0025 to 0085	MLA 100
250 mL flask with polymer coating	NMV 0125 to 1500	MLA 250

note: flask has 1/4" NPT connection. Adapter may be required depending on model

nano provides a wide range of high quality condensate drains to support virtually any industrial compressed air or gas application. From cost effective timed solenoid drains to energy saving zero air loss drains, nano has the drain you need to protect your downstream equipment from harmful liquid condensate.
